

## Pb-Free / Restriction of Hazardous Substances (RoHS) Certificate of Compliance

This document certifies that all of RCD's products with termination code "W" are fully RoHS compliant in accordance with EU RoHS Directive 2002/95/EC. We hereby declare the following materials or substances are not contained therein (the material/substance is not found above the threshold level listed other than exceptions approved by RoHS.)

Material/Substance	Threshold Level
Cadmium	0.01%
Hexavalent Chromium	0.1%
Lead	0.1%
Mercury	0.1%
Polybrominated Biphenyls, PBBs	0.1%
Polybrominated Diphenylethers, PBDEs	0.1%

- ?
- ? Maximum concentration by weight in homogenous materials
- ? Our parts are also compatible with a no lead soldering process of 260° C, should it be a board-mounted part.

As always, our goal is to offer the highest quality products in the industry. In order to judge our effectiveness we need detailed feedback from our customers. If you have any further questions, please contact either the designated RCD Customer Satisfaction representative for your area. We would be pleased to satisfy your requirements.
